Dempsey-Carpentier Battle Will be Seen On Maui Next Week

Sports fans of Maui are to have the chance to see the Dempsey-Carpentier fight next week. The films have been brought here and will be shown in the Maui Amusement Company's chain of theaters, Manager Dick Harris announces, giving the places and dates in an advertisement in this issue.

The Dempsey-Carpentier films have just finished a tour of the Big Island and Manager Harris has been waiting for them with such patience as he could muster. Their arrival has been preceded by accounts from the Hilo papers one of which follows.

All prominent members of the local sporting fraternity were present at the premier showing of the Dempsey-Carpentier fight picture last night at the Empire Theater.

The battle of a Century, as it is aptly titled, shows every development of the titanic contest from Tex Rickard's signing of the Half Million Dollar guarantee check and the arrival of Gorgeous George to the triumphant exit of Dempsey after the battle. This picture is really a monument to American enterprise, the vast arena erected at Bayless Thirty Acres, the huge crowds handled with out the slightest confusion, the batteries of motion picture men, and the host of journalists, sending out every action of the great struggle are shown in every detail. World celebrities are shown gathered at the ring side, David Belasco in ministerial garb, Al Jolson with his well known smile, Irvin Cobb with his assumed perplexity Bud Fisher and George McManus procuring material for their world beloved cartoon characters and scores of other famous men are gathered there, blood brothers for the moment.

All training activities are shown of both the rival camps. If you have ever seen a big panther stalking back and forth in his cage, the vision returns to you with vividness after seeing Dempsey working out for the bout. The gallant Georges is seen with his international staff of sparring partners, in fact not a phase of the action is over looked.

"As for the actual fight, every blow is shown and brought out with vividness. It shows Dempsey's dogged determination and Carpentier's wonderful speed and gameness. In the 2nd round when Georges rocked the champion with terrific rights and lefts the huge crowd rises to its feet, with the same spirit that the ancient Romans showed when they turned their thumbs down over a fallen gladiator. The fatal fourth round is shown, with the French man beaten down by the savage and relentless attack of the champ and is a fitting climax to a great film."

Tuesday's Results—Wacs 24, L. D. S. 21; Sports 15, Kahului 8.

The Wacs tightened their hold on the third position in the league standings on Tuesday night by defeating the Saints and the Sports are now tied with Kahului for fifth position, by their victory over that team in a well played game.

Wacs Break Tie
The Wacs by a well fought and uphill battle in the last half of the game overcame a lead of 12-3 which had been taken by the Saints in the first period, scoring 16 points in the last half and holding the Mormon boys to an additional 9. Rodrigues starred for the Wacs and it was his fast playing in the closing moments of the game that brought victory to his teammates.

Sanders, the captain and star of the Saints quintet did not play the usually aggressive game for which he is noted for and scored but six points all of which came in the first half. DeHaan and Weaver came to the fore many times with clever playing but were unable to withstand the whirlwind finish of the Wacs.

Sports Tie
Good teamwork and an increasing ability to net the ball from the field brought a deserved victory to the Sports in the second game of the night. Leading all the way, they played a clean and aggressive game and the final score of 15-8 brought the Sports into the tie with Kahului for fifth position.

Seven players were used by the Kahului quintet in efforts to stop the "midgits" of the league in their onrush but to no avail and at no time were the Harbor Town boys able to take the lead. Larsen the big Kahului captain failed to continue on the wild rampage of scoring that heretofore he has been noted for and was responsible for but 6 of Kahului's total points.

Individual play was not seen among the Sports team which is to be lauded, not censured. The excellent cooperative play shown by them was the feature of the game and the reason of their victory.

WEST MAUI LEAGUE

Those basketball fans who missed the game at Lahaina Friday night certainly owe themselves an apology. The game was a whirlwind from start to finish, a regular see-saw with first one and then the other in the lead. The game was hard fought, long

Keen Competition is Being Shown in Race For High Score Cup

Individual high scores at basketball in competition for the cup offered by the Maui Drug Company compiled from a careful record of each game give the first and second highest scores of the members of each team at the ending of the first series in the Central Maui League as follows. Rodrigues (Wacs), 75; Hangal (Alerts), 68; Rego (M. H.), 63; Larsen (Kah.), 66; Sanders (Saints), 56; Kaunehiwa (Sports), 16, and Chatterton though now out of the game leads the Puunene quintet with 15.

Second in each team is, Kahoolawe (Alerts), 45; Sam Ahoy (Kah.), 38; Cummings (Wacs), 35; A. L. Vee (M. H.), 33; De Haan (Saints), 20; and L. Weight of the Sports and Kuwada of Puunene at 15 and 8 respectively.

Competition Keen

Keen rivalry is being shown in this contest, and if the truth were told it has probably won and lost many games in the series past. Teamwork is an essential in basketball rather than the individual playing by any member on the team and attempts to gain the lead in this contest have proved fatal to many good plays. However those players that now occupy the leading positions in the contest, for the majority are members of teams high enough in the league standings to offset that effect on the final scores.

Team Scores

St. Anthony Alumni leads the teams in the highest number of points scored by teams for the first half of the season with a total of 171. Second is Maui High School with 155. Third, the Wacs 141, then Kahului 130, Saints 121, Sports 69 and Puunene 45 all in the order named. The game on Tuesday night between the Sports and Kahului and the first in the second series is not included in these figures.

Stars

Rodrigues the Wacs captain is undoubtedly the outstanding star as far as the series has progressed. Accuracy at throwing baskets from practically any angle and many times at good distances from the net has been repeatedly displayed by him and his teams success is no doubt a great part due to the efforts made by him at their helm.

To pick the second star would be a toss up between Shige Hangal, Rego and Sanders, all of whom have played a consistent and heady game and have at all times lead their respective teams in individual work.

Many others have come to the fore during the contests just over and as a whole the Central Maui League should feel proud at the manner and in the good sportsmanship with which it has been conducted.

shooting, fast passing, and good team work being marked features of the game. The L. A. A. played a defensive game throughout and Lahaina won out mainly by their speed and cool headedness. Both teams played a clean, consistent game.

Lufkin, captain and forward for the Lahaina quintet and number 3 were the most conspicuous figures in the playing. Their passing and dodging combined with great speed was too much for the L. A. A. boys.

For the losers Seichi and Garehi were the outstanding players. Lindsey at center shone brilliantly at shooting fouls.

In the first half Lahaina held the L. A. A.'s down to the score of 12-9, but in the latter period the L. A. A.'s came back with bulldog tenacity and when the timers whistle blew the score stood at a 28 tie.

Both teams however had to play off a double foul, the L. A. A. missing the throw and Lahaina converting into goal which won them the game by the score of 25-28.

Track and Field Meet Will be Held Early In Month of May

Plans are going forward in preparation of a program for the annual track and field meet to be held in the early part of May and the main committee of the Maui County Fair and Racing Association will meet in that body's rooms in Wailuku next Monday evening at 7:30 to outline a campaign for the event.

As in last years meet there will be three divisions in the competition for prizes, senior, intermediate, and junior events. It is expected by the committee that a greater number of athletes will turn out for the coming event than did last year and some estimates set the number of entries at 400 or more.

A diversified program will be offered, it being the aim of the committee to have events covering every sport in this branch of athletics represented at the meet.

Fields, the 10th jockey rode mounts that won \$82,632.

Four races, three in the east and one in Kentucky, were worth \$35,000 to the winner, while 17 others were worth more than \$10,000 each. The Pimlico Breakers was the richest race, with a value at \$43,000. The Belmont Futurity, \$39,700; Kentucky Derby, \$38,450 and the Hopeful Stakes Saratoga, \$34,900, are the other high-value races.

Goaler and Gray Lag both established a new one and one-eighth mile record, each running it in 1:49. Audacious and Goaler made their records at Belmont Park and Gray Lag at the Aqueduct.
